OFFICE OF PETITIONS

To: Asst. Commissioner for Patents

PETITION TO REVIVE PATENT APPLICATION BASED ON UNINTENTIONAL
ABANDONMENT UNDER 37 CFR 1.137

1. Applicant received a notice of abandonment dated July 16, 2002.
2. An office action dated December 12, 2001 required a response in a shortened statutory period of three months.
3. The response to the office action is enclosed.
4. Applicant hereby petitions for revival of the above referenced patent application within 37 CFR 1.137. The application was unintentionally abandoned and the entire delay for the period from the due date for response for the December 12, 2001 office action to the filing of this petition was unintentional..
3. Applicant encloses a petition fee in the amount of \$640. Please charge any deficiency to deposit account No. 14-711.

REMARKS

Applicants' attorney misfiled the office action of December 12, 2001. He continued to believe no office action had been issued up until the time of receipt of the notice of abandonment, even having filed a status query on July 9.

Applicant notes that the request to make special has never been responded to despite repeated request.

Respectfully submitted,
ROMAN GOLICZ et al.
